ENERGY ASSOCIATION

Working Group Agenda Meeting #8 Energy Storage in North Carolina: Developing Rules of the Road

July 26, 2017 * 9:30 a.m. – 12:00 p.m.

NCSEA Conference Call Line 919-769-1930

Attendees in Person: **Jack Floyd**, NC Utilities Commission, Public Staff; **David Doctor**, E4 Carolinas; **Ewan Pritchard**, FREEDM Systems Center, NC State University; **John Landy**, Distributed Energy Technology, Duke Energy; **Sam Kliewer**, Cypress Creek Renewables; **Larry Ostema**, Nelson Mullins Riley & Scarborough; **Bob Koger**, Advanced Energy; **Chris Larsen**, Dynapower Company; **Kevin Martin**, NC Department of Environmental Quality; **Michelle Meyer**, ABB Energy Storage; **Autumn Proudlove**, NC Clean Energy Technology Center; **Kim Duffley**, Attorney, NC Utilities Commission

Attendees on the Phone: **Bert Taube**, Southern Research; **Mike Davis**, NC Sustainable Energy Association

9:30 – 10:00 A.M.

Coffee & Networking

10:00 – 10:20 A.M.

Update on NCSEA Energy Storage Engagement

Diane Cherry, Strategic Director, NC Sustainable Energy Association

Speaking Engagements

- UNC Clean Tech Summit
- Research Triangle Cleantech Cluster
- State Energy Conference
- Solar Power Southeast
- Alevo/E4 Carolinas
- EUCL
- NC Military Business Center, Military Roundtable
- NC Building Performance Association

Story of Clean Energy

- Alevo

ESA Keynote, Matt Roberts

- Industry “voice” on the electrification of the economy

10:20 – 10:35 A.M.

Progress Toward Energy Storage Rules of the Road

Ivan Urlaub, Executive Director, NC Sustainable Energy Association

10:35 – 11:10 A.M.

Energy Storage Study: An Update

Peter Ledford, General Counsel, NC Sustainable Energy Association

- HB 589 Energy Storage Study Provisions
- Next Steps with The Collaboratory, process, timeline

11:10 – 11:20 A.M.

Other Issues that Impact Energy Storage

Peter Ledford

- Interconnection Docket
- Grid Modernization
- NC Utilities Commission Confirmations

11:20 – 11:45 A.M.

What Do You Want to Have Visibility to for Energy Storage Locations?

Robin Aldina, Manager of Energy Research, NCSEA

- Feedback on this idea?

11:45 A.M. – 12:00 P.M.

What Else?

- Is there anything to work on concurrently while the study is going on?
- Feedback on any energy storage pilots currently happening?
